**cordially invite You and Your Colleagues.**

The Hungarian University of Agriculture and Life Sciences is pleased to invite you to participate in the **6<sup>th</sup> International Scientific Conference on the Development of Rural Environment**. The Conference became an annual tradition to meet colleagues all over the world at Szarvas (Hungary). Our mission is the organization of an international scientific interdisciplinary discussion on rural issues and innovations. All participants will be encouraged to express their attitude towards the scientific issues related to rural development, especially in the focus of environmental challenges for a full-fledged living environment.

### **6<sup>th</sup> CDRE will cover the following main thematic areas:**

- Rural development
- Agriculture
- Natural environment
- Economic environment
- Social environment
- Tourism

**The official language of the conference will be ENGLISH.**

**The conference will be organized in HYBRID way.**

### **Participation fees:**

- Onsite participation 50 EUR
- Online participation 30 EUR

**The participation at the conference with an oral presentation or poster is possible, but prior registration is required.**

The registration fee covers the following:

- Full access to all Conference sessions
