CONFERENCE CALL

16th Training and Practice International Conference on Education Science

Date: 18-19 May 2023.

Venue: MATE Kaposvár Campus (7400 Kaposvár, Guba Sándor u. 40.)

It is now for the 16th time that the Institute of Educational Sciences of the Hungarian University of Agricultural and Life Sciences, in cooperation with the Benedek Elek Pedagogical Faculty of the University of Sopron, call teaching and research colleagues at any level and field of education to their conference on education science. To the event, we expect higher education specialists, teachers in lower and upper primary as well as secondary level, kindergarten teachers, early childhood educators, special education teachers, conductors and psychologists who are ready to participate in professional exchanges of ideas about the renewal of pedagogy. The organizers of the conference warmly welcome participants who apply with a presentation and who are interested in professional work.

At the conference, presentations can be held in the form of symposiums, thematic papers and posters. Applications are possible in all three categories by submitting an abstract electronically. The length of abstracts is between 2,000 and 3,000 characters. Symposia can consist of 4-5 talks.

The languages of the conference are **English** and **Hungarian**. All submitted material will be assessed according to the evaluation system of scientific conferences. The length of each talk: 15 minutes + 5 minutes discussion.

Scientific Programme Board: Kasik László, Kéri Katalin, Orsós Anna, Perlusz Andrea, Petőné Csima Melinda, Pusztai Gabriella, Steklács János

Applications are expected on the internet portal of the conference - <https://kepzesesgyakorlat.uni-mate.hu/en/> - by filling in the application form and uploading the abstract written in the language of the paper.
