

## Tesco Business Solutions & Technology.

Are you an academic student looking for practical experience in addition to your studies? Do you speak English well and are you interested in working for a multinational company? If you want to kick-start your career with a real professional experience, then this is the place for YOU!

### Internship program.

Location: Budapest, 13<sup>th</sup> district, hybrid work

**Areas you can choose from: Finance, Payroll and People Admin, Buying Support Admin, Customer Service, Human Resources and Enterprise Analytics**

During your internship you will have the opportunity to:

- gain practical experience related to your studies in the chosen department of our business center
- work on real projects, share your ideas and experience the daily operation of a multinational company
- use and improve your English skills
- attend networking events with the other interns at the company
- participate in soft-skill trainings, Tesco store visits and social events
- get constant feedback on your work and give a final presentation on your internship activities

You will like our internship program if you:

- have always wondered how it feels like to work at a multinational company
- would like to gain experience with different teams within a department
- use English confidently on a daily basis (both verbal and written, expected level min. B1)
- would like to spend your compulsory internship with practical work that will look great on your CV
- want to prepare for a full-time job after graduation

What we offer:

- flexibility matters - we believe that work-life balance is possible
- we are a great team, we do not stick to formalities
- we have a cool, modern office, free parking area and free quality coffee
