

BRAINBAR

Dear Friend,

Let us share what we think is an incredible opportunity from our partner WorldQuant: **the International Quant Championship is now on!**

If you take pride in your **STEM, IT or Finance** skills, this one's for you: throughout the stages of the Championship, you can put your analytical skills to the test and **build financial forecasting models**, while competing against the world's brightest minds!

What's in it for you?

- A chance to represent your country in the **Global Finals in Singapore**
- Prizes from **a \$100k total pool**
- A global community of the brightest quantitative minds
- Free webinars to go from STEM novice to STEM master and receive guidance with the tasks of the competition

Who can join?

All students, faculty or alumni from a university. You can compete individually, but if you form a team, all members must be from the same institution. **Team size: 4 people max.**

Keep in mind that you can only join the contest in Stage 1, until May 14 on WorldQuant's simulator, BRAIN. Models can be submitted in this stage until May 19.

Stage 2 (regional/national round) is from May 27 to mid-June. The Global Finals are to be held in Singapore in September.

Make sure to apply early [at this link](#) to increase your chances of proceeding to Stage 2!

Good luck,

Team Brain Bar
